

Introducing Visuals

Visuals are important in any professional presentation. But when you give a presentation in a foreign language, they are even more important. Visual information is highly memorable and reduces the amount of talking you have to do. Good visuals speak for you.

TASK 1

Divide the visuals below into three groups:

1. GRAPHS _____

2. CHARTS _____

3. DIAGRAMS _____

11.

	J	F	M	A	M
A	0.1	0.4	0.1	0.2	0.1
B	0.2	0.6	0.1	0.2	0.2
C	0.2	0.5	0.2	0.2	0.1
D	0.3	0.6	0.6	0.1	0.1

What sort of visuals do you regularly use in your job?

You don't need to know all the names of the different types of visual in order to present them. Simply say:

Have a look at this. or **Take a look at this.**

As you can see, here... and here... .

American English prefers *take* (take a look, take a shower, take a break).

British English prefers *have* (have a look, have a shower, have a break).

CASS TASK 2

Effective presenters introduce and highlight visual information briefly and clearly. Remember to keep everything simple. Write out the following sentence fragments in the correct order to make complete presentation extracts. The cassette provides a good model for you. Use it to check your answers after you have done the exercise.
